

Integrity Clause

The bidder and the instructing party undertake to take all necessary measures to avoid corruption, in particular that no payments, gifts or other advantage will be offered or accepted.

Should this integrity clause be disregarded, the contractor must pay a contract penalty. This will amount to 10 % of the contract value, a minimum of CHF 3 000 per contravention.

The bidder should take note that a contravention of the integrity clause generally results in the annulment of the tender and the premature termination of the contract for important reasons by the instructing party.
